
Management Consultant

Location: Leuven - Flanders/Brussels - Home Office

Job Description:

We are seeking highly qualified and experienced Management Consultant to join our team on a permanent employment or freelance basis. As a consultant at Xedis, you will work closely with clients to understand their needs and develop effective solutions to their challenges. You will have the opportunity to work on a variety of assignments and contribute to the success of our clients through your participation and knowledge sharing.

Requirements:

Bachelor or master's degree (or equivalent through experience).

Minimum 3 to 5 years of experience at medium to large organizations, within ICT, as a Project Manager.

You have knowledge of (preferably with certification) one or more methodologies such as PMI, PRINCE2, PMBOK, ITIL, SIX Sigma or Scrum

Broad practical experience with Software Development/Infrastructure/Security

Bilingualism (Dutch and French) is required. Knowledge of English is an important asset.

If you are looking for an interesting and challenging opportunity as a consultant in a knowledge-driven organization, we encourage you to apply for this position by sending your CV to humanresources@xedis.be. We are excited to review your application and see how you can contribute to the success of our team and our clients.
